Virtual Documentary Submission Guidelines
Rhode Island History Day

You will create your documentary following the usual NHD guidelines in the NHD Contest Rule Book.

Once recorded, upload the .MP4 file of your performance to Google Drive, One Drive, DropBox, or a private YouTube channel and save the URL. **Please make sure that your link is shareable** (set to "Anyone can view" or similar). It is your responsibility to ensure that your link to your performance is shareable.

To prepare your paperwork, combine all of your required paperwork (title page, process paper, and annotated bibliography) into a single PDF file. (Free apps for this include Small PDF and I Love PDF.) The final PDF document order must be: title page, process paper, annotated bibliography.

When you are ready to submit your project, **follow instructions in the RIHD Registration Portal** for how to upload the link to your video and the PDF of your paperwork materials to your student profile.
